

## CASSILTOUN STABLES NURSERY

Cassiltoun Stables Nursery is a new subsidiary of Cassiltoun Housing Association. Set up by the Association as a social enterprise in the Spring of 2012.

This is a new venture based at the Multi Award Winning Castlemilk Stables. We aim to create an outstanding nursery to help provide excellent pre 5 childcare in the local community and beyond.

We aim to offer parents and children a childcare service located within a historic building with modern learning facilities.

Cassiltoun Stables Nursery is governed by its Board of Management and receives management and infrastructure support from Cassiltoun Housing Association.
