

Job Description

Job Title	Temporary Lead Practitioner of Attainment until 6th August 2021	Department	Cassiltoun Stables Nursery
Reporting to	Nursery Manager	Grade	£26,533 (pro rata)
Post Number	SN01	Date	November 2020

Purpose of Job

Reporting to, and directly supporting the Manager, you will be an enthusiastic practitioner with a proactive approach. Skilled in collaborative working, recognising the importance and commitment required in the role. You must be an excellent communicator at all levels, demonstrate diplomacy, tact and with the ability to establish clarity. The post holder will form an integral part of the childcare team and will contribute to the vision of Cassiltoun Stables Nursery by linking strategy to operation to ensure excellent delivery in Early Years Childcare.

As lead practitioner for attainment you will be expected to work collaboratively with our Leader of Early Learning to support Glasgow City Council's Attainment Challenge through numeracy. You will be expected to assess, monitor and produce quantitative evidence of children's progress and a development.

Major Tasks and Job Activities

- Supporting the Manager and Nursery Board, you will be responsible for the development and successful implementation of early years' service at Cassiltoun Stables Nursery
- You will demonstrate a sound knowledge and understanding of regulatory frameworks and keep abreast of related legislation. (Revised National Care Standards, The Early Years Framework, Child at the Centre etc)
- Understanding of the new SSSC Codes of Practice
- You will support the management and development of Cassiltoun Stables Nursery, ensuring positive interaction with children and families and contribute towards effective working practices.
- You will support the key worker system of staffing within the nursery
- You will provide a service that respects children's life experiences and celebrates diversity in terms of language, culture, ability, race and religion
- You will support the continuing development of the nursery, sharing information involved in the development of the highest quality service for young children and their families.
- You will share tasks necessary for the general upkeep and standards of hygiene of the nursery, including laundry, cleaning and equipment monitoring
- You will support the Manager and staff by taking part in trips and outings
- You will support effective delivery of the curriculum to raise attainment and support staff in the delivery of your strategies to support your project.
- You will promote 'best practice' and display positive role modelling to all staff.
- You will introduce home learning support for families encouraging a collaborative approach to learning.
- Supporting the room senior, you will be expected to effectively contribute to professional reports for external agencies and partners.
- You will be expected to assess, monitor and produce quantitative evidence of children's progress and a development.

Job Features

Planning and Organising

- You will work closely with the Nursery Manager and other senior staff to support the development and continuous improvement of the nursery
- Plan effectively and efficiently to meet curriculum requirements
- Plan and organise own workload and support staff in planning and organising duties
- Maintain the highest standard of hygiene within the nursery
