1. Purpose

- 1.1** These Standing Orders describe the roles, responsibilities and powers of the organisations, sub-committees and individuals that make up the governance framework for the Cassiltoun Group.
- 1.2** They take account of the Rules of Cassiltoun Housing Association (CHA), the Memorandum and Articles of Association of Cassiltoun Trust (CT) and Memorandum and Articles of Association of Cassiltoun Stables Nursery (CSN) and relevant legislation and regulatory requirements. In the event of a conflict being identified between the terms of the Standing Orders and the Rules of CHA, the Rules shall prevail.
- 1.3** They also provide a framework for the conduct of meetings, delegation of authority and reporting arrangements (including financial regulations) for CHA to ensure that it is well governed and operates its business in an orderly and efficient way. They apply to all meetings of the CHA Board of Management and its sub-committees.
- 1.4** Section 2 of these Standing Orders describes arrangements operating between CHA, Cassiltoun Trust and Cassiltoun Stables Nursery and those that apply across the Cassiltoun Group. Cassiltoun Trust and Cassiltoun Stables Nursery are permitted to create its own Standing Orders (with the prior consent of the CHA's Board of Management) but they must comply and be consistent with the requirements of Section 2.
- 1.5** These Standing Orders were approved 26th October 2022 and will be reviewed at least every three years and cannot be amended without the approval of CHA's Board of Management.

2. Group Structure

Cassiltoun Trust and Cassiltoun Stables Nursery are wholly owned subsidiaries of Cassiltoun Housing Association. CHA is the parent organisation, having a controlling interest in both subsidiaries.

CHA has taken account of the Scottish Housing Regulator's (SHR's) regulatory guidance on group structures in framing its inter-group legal and financial arrangements. Both group members aim to meet the regulatory expectations and requirements of SHR.

2.1 Intragroup Agreements

CHA as group parent is responsible for maintaining overall control of its subsidiaries, and establishing the framework within which the subsidiaries are to operate. The subsidiaries are responsible for managing its day to day operational business. The relationship between the parent and the subsidiaries are set out in an Intragroup Agreement. The Intragroup Agreement will be reviewed as and when required.

Key responsibilities of the parent (CHA) under the Intragroup Agreements are:

- To approve the subsidiary's annual budgets and business plans
- Regular review of group governance arrangements
- Monitoring compliance with the provisions of the Intragroup Agreement, and in the event of non-compliance, taking appropriate action.

Key responsibilities of the subsidiaries are:

- Taking such actions as are necessary to ensure that its business objectives are furthered
- Running all operational, management and day to day aspects of its business
- Reporting to the parent Board of Management as required
- Taking action on internal and external audit findings.

The parent (CHA) has the right, under the Intragroup Agreement, to confirm or reject the appointment of any subsidiary governing body member, or to remove any person from that governing body, but will only exercise this latter right where it is satisfied that the circumstances require it, as set out within the terms of the Intragroup Agreement.

2.2 Policies and procedures

It is the responsibility of the CHA's Board of Management to determine which policies and procedures will apply to both CHA and its subsidiaries (the group policies), and the frequency with which they are to be reviewed. A list of these policies, and their agreed review cycles, is set out in the Policy Register. The governing bodies of Cassiltoun Stables Nursery and Cassiltoun Trust will always be consulted about the introduction of any new group policies, or the review of existing policies, and will be held accountable for the compliance all agreed group policies.

Cassiltoun Trust and Cassiltoun Stables Nursery's governing bodies are entitled to agree their own operational policies, consistent with the sound operation and good governance of the organisation, subject to the prior approval of the Board of Management.

2.3 Shared services

CHA staff provide a range of services to Cassiltoun Stables Nursery and Cassiltoun Trust. These arrangements are set out in the Subsidiary Group Services Agreement that has been entered into between CHA and Cassiltoun Stables Nursery and Cassiltoun Trust. It includes details of services, goods and equipment provided by CHA to both subsidiaries, and vice-versa, and the basis for reimbursement of costs. Estimated costs are included within annual budgets, with actual costs reimbursed generally on a quarterly basis. The operation of this agreement will be reviewed annually between organisations.

2.4 Role of governing bodies

The Board of Management of CHA is its governing body and the lynchpin of the governance framework. It is responsible for directing the affairs of the organisation and its business in an effective, accountable and independent manner, while ensuring that all decisions are taken in the best interests of current and future tenants, and of the Association.

CHA's Board of Management will agree the terms of its remit to ensure that it exercises good governance over the affairs of CHA and the group as a whole, and meets legislative and regulatory requirements.

The Board of Management may not exercise any powers which are reserved to the Association in general meetings, either by its Rules or by statute.

The board of Cassiltoun Trust and Cassiltoun Stables Nursery is its governing body, and it is responsible for directing the affairs of that organisation and its business.

2.5 Responsibilities of governing body members

It is the responsibility of all governing body members, in exercising their role as Board members or directors, to act in the best interests of the organisation, and not to place any personal or other interests ahead of their primary duty to that organisation. They must seek to ensure that the organisation acts in a manner which is in accordance with its objects, and to act with the care and diligence which it is reasonable to expect of a person who is managing the affairs of another person. All governing body members must accept collective responsibility for decisions taken by their governing body.

2.6 Code of Conduct and declarations of interest

The CHA Board of Management has approved a policy setting out a Code of Conduct for governing body members, which applies to all appointed and co-opted members of the CHA Board of Management and its sub-committees and its subsidiaries. This Code is based on the Model Code of Conduct produced by the Scottish Federation of Housing Associations. Appendices to this policy set out guidance on declaring and managing personal interests, and a protocol for dealing with any breaches of the Code.

No committee or board member may take office until they have signed this Code of Conduct. Thereafter, all board and committee members must review and sign the Code annually.

Any board, Board of Management or sub-committee member must declare any personal or other external interests on an annual and ongoing basis, following the process set out in CHA's Protocol for declaring interests and managing conflicts of interest.

It is the duty of all affected by this policy to ensure that private or personal financial or other interests never influences their consideration of Group's business.

If any board and/or committee member has any conflict of interest in any matter about to be discussed at a meeting, they must declare it at the outset, and this declaration will be recorded in the minutes. Members will not be permitted to remain in the meeting during the discussion of a matter in which they have an interest and never to vote on it.

2.7 Entitlements, payments and benefits

CHA's Board of Management has approved a policy on Entitlements, Payments and Benefits, applicable to all group governing body members, sub-committee members, and staff. Governing body members and staff must not receive any payment or benefit unless it is permitted by the policy, nor use their position for personal gain of any sort. In making any payment or conferring any benefit, CHA shall act at all times with transparency, honesty and propriety.

2.8 Confidentiality and external representation

All governing body and staff members must respect and maintain confidentiality and must ensure that no information about CHA or its subsidiaries is disclosed to anyone who is not entitled to receive it, both whilst an active governing body or staff member, and after leaving. This includes, but is not limited to, information relating to financial projections and budgets, business plans, strategies and programmes and prospective contracts and targets; information which, acting reasonably, might be expected to be regarded as confidential; and reports and information labelled or identified as confidential.

Governing body members must always be positive ambassadors for CHA and its subsidiaries, but must not speak in public on behalf of their organisation without specific authorisation to do so.

3. Role and Remit of The Board of Management

3.1 The Board of Management is Cassiltoun's Housing Association's governing body. Its main responsibilities are to :

- Promote and uphold Cassiltoun Housing Association's values
- Set and monitor standards for service delivery and performance
- Control Cassiltoun Housing Association's affairs and ensure compliance

3.2 The operational management of the Association is delegated to the Association's Chief Executive Officer and Senior Leadership Team, within a set of controls decided by the Board of Management. In practice, the relationship between the Board of Management and Chief Executive and Senior Leadership Team is based on working in partnership, and demands mutual respect, trust and support.

Our Chief Executive Officer, should tell the Regulator about a notifiable event which relates to performance and service delivery issues or financial and funding issues. The Chair of our governing body should tell the Regulator when the notifiable event relates to a governance or organisational issue, for instance if our Chief Executive Officer has left or if there is an issue about our Chief Executive Officer or our governing body.

3.3 The Board of Management's Strategic and Leadership Role

The core responsibilities of the Board of Management are to:

- Decide the Association's overall purpose and values, and help make sure these are achieved

3.4 The Board of Management's Responsibilities for Control and Compliance

The core responsibilities of the Board of Management are to:

- Decide the policy of the Association
- Approve and oversee a framework for delegation to office bearers, to sub committees and to staff
- Approve and regularly review systems of internal and external control, including Standing Orders, the Board structure, external audit, internal audit, financial control and performance reporting
- Approve and oversee a framework for managing risk, to protect the Association and its assets
- Ensure the solvency of the Association, approve the annual budget, and approve the annual accounts prior to publication

- Monitor and assess the Association's performance against its plans, budgets and targets, taking into account tenant feedback and the performance of comparable organisations
- Establish and oversee arrangements for the employment of staff
- Appoint the Association's office bearers (the Chair, Vice Chair, Secretary and Treasurer) and the members of sub committees
- Appoint, support, appraise and (if necessary) dismiss the Association's most senior employee, and decide his/her remuneration
- Ensure that the Association meets all its statutory obligations and acts in accordance with regulatory and accepted good practice standards.
- Ensure that the Association acts in accordance with its Rules
- Assess the Board of Management's own effectiveness, periodically, and how well members are following the Association's Code of Conduct.

3.5 In both sets of responsibilities, the Board of Management is informed, advised and supported by the Chief Executive and the Senior Leadership Team.

4. Sub Committees

- 4.1** The Board of Management may delegate some of its powers to sub committees. It may also appoint ad hoc sub committees or working groups from time to time.
- 4.2** The remits of the Association's sub committees are shown at **Appendix A**.
- 4.3** The Board of Management has the power to change the sub-committee structure at any time, to ensure that the Association's business is managed efficiently and effectively.

5. Membership of the Board of Management and Sub Committees

Board of Management

- 5.1** The members of the Board of Management will be elected or appointed in accordance with the Association's Rules.
- 5.2** Under the Rules, the Board of Management has the power to fill casual vacancies (where an elected Board member stands down) and to appoint co-opted members.
- 5.3** Co-options may be considered as a means of appointing additional Board members who have skills or experience that would benefit the Association's work. Co-opted Board members do not need to be shareholding members of the Association, but they can apply to become shareholding members if they meet the conditions for membership set out in the Rules.

Sub Committees

- 5.4** The membership of sub committees shall be decided by the Board of Management following the Annual General Meeting. The Board of Management may make changes over the course of the year as required.
- 5.5** At its first meeting each year, each sub-committee will elect a chairperson to preside at its meetings.
- 5.6** The Association may consider appointing people who are not Board of Management members to be co-opted members of sub-committees, to bring additional knowledge or experience to the sub-committees.
- 5.7** In accordance with Association's Rules, co-opted committee members cannot make up more than one-third of the total number of sub-committee members at any one time.

6. Delegations to Sub Committees and to Senior Staff

6.1 The Scheme of Delegated Authority at **Appendix B** describes:

- Those matters that are reserved to the Board of Management for approval and decision.
- Those matters that the Board of Management has delegated to sub committees and to the Chief Executive and Senior Leadership Team of the Association.

Appendix C sets out the financial limits that apply to delegations from the Board of Management to the Association's staff team.

6.2 The list of matters reserved to the Board of Management is designed to ensure that the Board of Management exercises overall control over the business of the Association, while focusing its attention on the areas of greatest strategic significance.

6.3 Sub committees (and any working groups set up by the Board of Management) must act in accordance with the remits and delegated authorities established by the Board of Management. Depending on the specific matter at hand, sub committees may either:

- Exercise full delegated authority from the Board of Management to act or make decisions;
- Undertake detailed scrutiny and make recommendations to the Board of Management for its approval.

6.4 As a general principle, sub committees shall only **by exception** refer matters that fall within their delegated authority to the Board of Management for its specific consideration and/or approval. Referral to the Board of Management in such circumstances should be based on appropriate criteria (e.g. there are material risks or policy issues involved). **Referring delegated matters routinely should be avoided**, as this would impair the Board of Management's ability to focus on its overriding responsibilities for strategy and control.

6.5 The matters delegated to the Chief Executive and Senior Leadership Team in Appendix B are illustrative rather than exhaustive. The Board of Management has delegated authority for all operational functions and for the day-to-day management of the Association to the Chief Executive and Senior Leadership Team, with the exception of those matters that are specifically reserved to the Board of Management and sub committees.

6.6 In exercising this delegated authority, the Senior Leadership Team will refer any matters involving questions of policy or material risk to the Board of Management.

6.7 The Association's employees are not eligible to act as board members. The Association's Chief Executive is the Board of Management's principal adviser and is responsible and accountable to the Board of Management for the implementation of the Boards' decisions and policies.

7. Arrangements for Calling Board Meetings

7.1 Frequency of meetings

The Board of Management will normally meet every month. There will normally be a recess period in July and December unless the Board of Management decides otherwise. For example, the Board of Management may decide that meetings need to be scheduled to deal with any important business during the summer months.

A calendar of meeting dates for the Board of Management and sub committees will be approved at the first Board of Management meeting following the AGM. The meetings calendar may be changed at any time by the Board of Management.

Special Meetings of the Board of Management may be convened in accordance with the Association's Rules.

7.2 Notice of Meetings/Agendas for Board of Management and Sub Committee Meetings

The Secretary will normally give at least 7 days written notice of all meetings. The Secretary may delegate responsibility for the calling of meetings to the Chief Executive.

Agendas and reports will normally be issued no less than 7 days prior to any meeting. Late circulation of a report will not prevent the report being discussed, if a majority of the Board of Management or sub committee members present agree to this.

No business, other than on the Agenda, will be considered without the consent of two-thirds of the members present at a Board of Management or sub committee meeting.

If Board of Management members wish to propose motions or items to be included on the agenda for a Board meeting, these should be notified to the Chief Executive or Secretary not less than 10 days prior to the meeting.

Prior to Board meetings, the Chief Executive will meet with the Chair to set the agenda and review the order of business and the matters requiring decision.

8. Proceedings at Board Meetings (including Sub Committees)

8.1 Quorum Requirements

For Board of Management meetings, four members (excluding co-optees) will form a quorum. Where a meeting becomes inquorate after it has started, the meeting shall be adjourned.

The quorum for sub committees shall be 3 members (excluding co-optees). Where a meeting becomes inquorate after the start, the meeting will be adjourned.

8.2 Attendance by Staff Members

The Chief Executive and other staff members will attend Board of Management and sub committee meetings and submit written reports as required.

8.3 Voting and Decisions

The Board of Management and sub committees will normally make decisions by consensus, without matters being put to a formal vote.

Formal voting will take place if a motion is proposed and seconded by two board members present at a meeting and if another board member indicates that they disagree with the motion. Amendments to a motion, if proposed and seconded shall be voted on first. The original motion falls if the motion to amend is carried.

Any matter put to a vote shall be decided by a majority of those Board members present and voting. Voting shall be by a show of hands, unless otherwise directed by the Chair. The number of votes cast for and against a motion or amendment shall be recorded in the minute as shall the number of abstentions. Any member may ask for their dissent from any motions or decisions to be recorded within the minute.

In the event of a tie the Chair will have a casting vote, in addition to their own vote.

Decisions made by the Board of Management will stand on record for at least six months and will not be discussed, questioned or put to a second vote within that period unless there are exceptional circumstances and only then with the consent of two-thirds of those present.

8.4 Adjournment of Meetings

Meetings may be adjourned by consensus, or if a majority of Board members vote in favour on a motion for adjournment. Motions for adjournment shall follow the procedure set down above and will take precedence over all other motions.

The time of a reconvened meeting may be agreed as part of the adjournment motion, failing which it shall be decided by the Secretary. When an adjourned meeting is resumed, proceedings will commence at the point at which they were broken off at the adjournment.

8.5 Time Management of Meetings

The decision of the Chair or other person presiding at a meeting is final on length of speeches, debate and closure of debate. The Chair or other person presiding at a meeting will seek to ensure that all Board members are given adequate opportunity to contribute.

Proceedings at Board of Management and sub committee meetings should not exceed 2 hours. The meeting may be extended if two-thirds of the members present agree to this. Any extension shall normally be for a maximum of 30 minutes, unless two-thirds of the members present agree to a further extension.

8.6 Any Other Competent Business

Any other competent business should be notified to the Chair prior to the start of the meeting giving 24 hours notice if possible.

The Chair will rule on whether the business is competent for discussion and/or decision at the meeting. If a majority of the members present object to the Chairperson's ruling, discussion and/or decision of the business may take place.

8.7 Conduct of Members at Board Meetings

When attending Board meetings, all Board members must:

- Conduct themselves in a courteous and business-like manner;
- Show respect for the authority of the chairperson of the meeting;
- Show respect and consideration towards other Board members, the Association's staff and anyone else attending the meeting.

The Chairperson of the meeting is responsible for determining if any Board member is acting in a way contrary to the Standing Orders or the Code of Conduct for Board members. The Chairperson may provide a warning to the Board member(s) concerned, and request that the inappropriate behaviour ceases.

In the event of a failure to comply with such a request, or where the breach of standards, in the opinion of the Chairperson, is sufficiently serious, the Chairperson can propose that member or members in question be excluded from the remainder of the meeting.

Such a resolution, if seconded, will be voted on immediately by the remaining board members who are not the subject of the resolution and shall be decided by a majority vote of the remaining members. If the motion is carried, the board member or members concerned must then leave the meeting.

These procedures also apply to the person chairing meetings. The Chairperson has a duty to show exemplary conduct in the way they carry out their role. If Board members are concerned about the conduct of the person chairing a meeting, a resolution may be made to exclude the chair from the remainder of the meeting. The resolution will be voted on in accordance with the procedures described.

8.8 Business Conducted under Closed Session

Where Board business is of a confidential nature, it will be conducted in closed session and a separate confidential minute will be produced. The Chief Executive (and any other relevant staff) may remain in attendance, unless the nature of the confidential business would make this inappropriate.

8.9 Admission of Members of the Public to Meetings

Members of the public will not be admitted to Board of Management or sub-committee meetings. With the approval of the Board of Management or sub-committee members, people who are interested in becoming board members may attend meetings as observers.

9. Minutes of Board Meetings and Sub Committee Meetings

- 9.1** Minutes of Board, meetings and sub committee meetings will be taken by staff members.
- 9.2** A Minute of each meeting will be prepared and issued to all members of the Boards and Sub Committee. The minutes shall be presented at the next appropriate meeting and if accepted as a true record, signed by the chairperson of the meeting at which they are presented. Minutes of sub committee meetings will be submitted to the next sub-committee meeting for approval and Sub Committee and Subsidiary, decisions presented to the next Board of Management meeting for their information.
- 9.3** Any member who was present may move the adoption of the minutes of a meeting. When approved, and inclusive of any amendments, the final minute shall be signed by the chair of the meeting and retained as the official record of the Association.
- 9.4** All approved minutes will be available to anyone who wishes to see them, for example tenants or members of the public.
- 9.5** A separate minute will be produced for any business that is confidential or commercially sensitive. Minutes for such items will only be available to Board members, and to any members of staff who need to have access to the minutes to implement Board decisions.

10. Role and Remit of the Association's Office Bearers

10.1 The Association shall have a Chair, Vice-Chair, Secretary and Treasurer. The office bearers shall be elected by the Board of Management at the first meeting after the Annual General Meeting.

10.2 Role and Remit of the Chair

The Chair will be elected by the Board of Management from among its membership after each AGM to serve until the next AGM. Under the Association's Rules, the Chair can be re-elected but must not hold office continuously for more than five annual terms of office. The role of the Chair is to uphold the Rules of the Association, to defend the rights of the members, to act as the main spokesperson and representative of the Association, and to sign official documents. A more detailed role description for the Chair is provided at Appendix D.

The Chair's role in conducting meetings of the Board of Management includes the following:

- To ensure effective use of the Board's time at meetings.
- To rule on whether items not on the agenda can be discussed at meetings.

The Association's Chair will be entitled to attend any meeting of a sub-committee, but may not act as the chairperson of any of the Association's sub committees.

The duties described at 10.2 shall also apply to chairs of sub committees.

10.3 Role and Remit of the Vice-Chair

The Vice Chair will be elected by the Board of Management from among its membership after each AGM.

The general role of the Vice Chair is to perform the responsibilities of the Association's Chair, as described above, in the Chair's absence. The Vice-Chair shall not be an automatic member of all sub committees.

10.4 Role and Remit of the Secretary

10.6 Office Bearer Skills and Succession Planning

The Association's office bearers, in particular the Chairperson, have a critical role to play in the governance of the Association. To promote continuity and effective governance, we will seek to ensure that there is more than one person on the board at any one time who has the skills, experience and personal qualities required to be chair of the Association. We will also provide people elected to office bearer positions (or wishing to stand for election in future), with support and training to help them develop the necessary skills. This will include a programme of training and support for the Vice Chair, to help achieve a planned transition when the position of Chair becomes vacant.

10.7 Confidentiality

Proceedings at all Board meetings, together with agendas, reports and other documents submitted to such meetings will be treated as confidential unless otherwise agreed.

10.8 Emergency Business and Decisions

Any matter which requires urgent or immediate action that cannot wait until the next meeting (including matters that arise during Board recess periods) may be referred by the Chief Executive to the Association's office-bearers.
